Raymond Lefaive, spoke on behalf of the Condo Board representing residents at 9015 Leslie Street, regarding the Comprehensive Official Plan Update and Secondary Plan Approach. He advised that while they were not opposed to the addition of 111 rooms to the Sheraton Hotel, they had concerns with the size of the project proposed for the East Beaver Creek area as it did not meet the requirements of the Key Development Area. R. Lefaive expressed concerns with the proposed density, towers' height, and its proximity to existing development. He shared their support for the City to complete a Secondary Plan to examine density, public facilities, recreation, school access, transportation, water and waste infrastructure and access around the Sheraton Hotel property. He also shared their support for Option 2 (Scenario A), revised recommendation d) as noted in the associated staff report.

14.2 Lauren Capilongo, Malone Given Parsons Ltd., on behalf of Parkway Hotels and Convention Centre Inc, regarding the Comprehensive Official Plan Update and Secondary Plan Approach – (refer to Item 15.6)

Lauren Capilongo, Malone Given Parsons Ltd., addressed Council regarding the Comprehensive Official Plan Update and Secondary Plan Approach. She advised that she addressed Council a few weeks ago to convey Sheraton's request that Council extract the Sheraton lands from the East Beaver Creek Secondary Plan and allow the application for an Official Plan Amendment filed over two years ago to be considered a tertiary planning exercise or a concept planning exercise. She noted that significant time has passed since the Region converted the lands from employment, and that there has been no updated framework to guide development. Concerns were raised about further delays due to the Secondary Plan process, which could hinder the expansion of the hotel, convention centre and residential housing. L. Capilongo requested that Council initiate the Secondary Plan as early as possible in 2025, complete it within six to eight months, and that City staff bring forward a recommendation report on the Sheridan Parkway applications concurrently with the Secondary Plan.

15.2.7 Member Motion - Mayor West - "Solve The Crisis" Campaign - (CW Item 12.1)

Moved by: Councillor Cui
Seconded by: Councillor Cilevitz

Whereas there is a humanitarian crisis unfolding on streets in our cities, large and small, urban and rural, across Ontario and the time for words is over, we need immediate action at all levels of government starting with the Province; and

Whereas the homelessness, mental health and addictions crisis continues to grow with 3432 drug related deaths in Ontario in 2023 as well as with an estimated 234,000 Ontarians experiencing homelessness and over 1400 homeless encampments across Ontario communities in 2023; and

Whereas the Province has provided additional funding for mental health, addictions and homelessness programs, it does not adequately address the growing crisis and the financial and social impact on municipalities and regions across the Province; and

Whereas municipalities and regions are stepping up and working with community partners to put in place community-specific solutions to address this crisis, but municipalities and regions lack the expertise, capacity, or resources to address these increasingly complex health care and housing issues alone; and

Whereas this is primarily a health issue that falls under provincial jurisdiction and municipalities and regions should not and cannot adequately resource with funding on the property tax base and available jurisdiction to execute these programs; and

Whereas York Region and the City of Richmond Hill continue to work collaboratively to meet the growing needs of our local community by supporting groups like Housing York Region, the Richmond Hill Community Food Bank, Inn from the Cold, Krasman Centre, Blue Door, 360°kids and the many other dedicated groups doing everything they can to fill in the gaps;

Whereas the Province recently announced funding to support 19 new treatment hubs which is a positive step for addiction recovery but lacking the more holistic solutions needed to support Ontarians;

Whereas there is no provincial lead focused on this crisis leading to unanswered questions that span over a dozen ministries, and a

lack of support to manage the increasing needs of those who are unhoused;

Now Therefore Be It Resolved That: The City of Richmond Hill supports the “Solve the Crisis” Campaign; and

The City of Richmond Hill calls on provincial and federal governments to commit to immediate action to solve the humanitarian crisis that Ontario is facing as the numbers of unhoused individuals and those suffering with mental health and addictions grows exponentially; and

The City of Richmond Hill requests that the Province officially makes homelessness a health priority; and

The City of Richmond Hill requests that the Province appoints a responsible Minister and Ministry with the appropriate funding and powers as a single point of contact to address the full spectrum of housing needs as well as mental health, addictions and wrap around supports; and

The City of Richmond Hill requests that the provincial government strike a task force with broad sector representatives including municipalities, regions, healthcare, first responders, community services, the business community and the tourism industry to develop a “Made in Ontario Action Plan”; and

The City of Richmond Hill requests that this provincial task force reviews current programs developed by municipalities, regions and community partners that have proven successful in our communities, to ensure that solutions can be implemented quickly and effectively to tackle this crisis; and

The City of Richmond Hill requests that the Province provides adequate, sufficient and sustainable funding to ensure that municipalities have the tools and resources to support individuals suffering with mental health and addictions, including unhoused people and those from vulnerable populations that may be disproportionately impacted; and

The City of Richmond Hill calls on the residents of Richmond Hill to join us in appealing to the provincial and federal governments for support by visiting SolveTheCrisis.ca and showing your support;

The City Clerk be directed to forward a copy of this resolution to the following:

The Right Honourable Justin Trudeau, Prime Minister of Canada;

The Honourable Sean Fraser, Minister of Housing, Infrastructure and Communities of Canada;

The Honourable Doug Ford, Premier of Ontario;

The Honourable Sylvia Jones, Deputy Premier and Minister of Health;

The Honourable Paul Calandra, Minister of Municipal Affairs and Housing;

The Honourable Michael Parsa, Minister of Children, Community and Social Services;

The Honourable Michael Tibollo, Associate Minister of Mental Health and Addictions;
