A visit to St. Jacob's is not complete without experiencing a Mennonite Farm tour. Drive through the countryside with your step-on-guide who will talk about the Mennonite culture, their way of life, farming and a little about Mennonite history; and stop at the "Covered Bridge" and a coffee shop at Kitchen Cutting. In the morning enjoy shopping at St. Jacobs Market with a large selection of meats, cheese, baked items, fruit, vegetables, local crafts, home decor, furniture, clothes, tools, housewares and more. Lunch is a four-course meal at Golf's Steak House. Tickets available on a first come, first serve basis until Thursday September 8, 2026
